## Information About my Virtual Lectures

### VIRTUAL MEETING

- Unless otherwise arranged, Christine will establish a secure video meeting through Zoom. Lectures will include a slide show presentation for text and images of art quilts. Selected art quilts will be shown live.
- Christine will provide the invitation link for the Zoom meeting 14 days prior to the presentation to the Program Chair of the organizing quilt guild or group. The Program Chair will be responsible to distribute the invitation link to the members of the quilt guild or group.

Please keep in mind that unauthorized sharing of log-in information is one way cybercriminals gain access and disrupt video conferences. Therefore, links should only be shared with registered participants like group or guild members, and never posted on public or unsecure websites or social media platforms. Participants should consider having the most current versions of their video conferencing technology and virus protection software. Attendees might need their own account to the conferencing technology. Christine is not responsible for hacked presentations.

- If the organizer is providing access to the virtual meeting and is using a platform other than Zoom, a short test run will be required during the week before the event so that Christine will be comfortable with the platform.
- Participants are encouraged to have good internet access. Christine is not responsible for internet access issues such as lagging or dragging video/audio, frozen or pixelated images, dropped connections, etc.
- The quilt guild or group is responsible for designating one attendee as Co-host to help participants access the meeting and one attendee as Moderator to monitor the chat room and facilitate participants' questions for Christine.
- When hosted through Christine's account the virtual meeting space will be available 30-minutes prior to start of the presentation to allow time for attendees to connect and become comfortable with the virtual environment. Participants are encouraged to sign-in early and get comfortable so the presentation can start on time. During these 30 minutes, Christine will be happy to chat with the participants.

## RECORDINGS

Christine maintains all rights and ownership of all content and recordings. Participants may not record or photograph, by any means, any portion of the presentation.

## PAYMENTS

Christine will invoice the Organization 2-3 weeks before the presentation. Payment is due within 10 days following presentation. Method of payment: checks or online payment via PayPal or Square (online payments incur an additional processing fee of \$10). A \$10 per day late fee will be charged for overdue payments.

## CANCELLATION

- Both parties reserve the right to cancel the presentation without penalties no later than 30 days prior to the program date.
- Neither party shall be held to this contract if the presentation is cancelled due to illness, accident, act of God, or other unavoidable circumstances. Both parties will make every effort to reschedule for a later date.
- In the event of technical difficulties due to weather, power outages, equipment failure, etc, every effort will be made to reschedule the presentation as soon as possible, at a mutually agreeable time.

## FEES

45-minute lecture with slide presentation and 15-minute Q&A \$400

If more than 100 people are expected to attend and Christine's Zoom account will be used, the quilt guild or group will pay an additional \$50 for Zoom upgrade fees. The upgrade will accommodate an additional 200 participants.
